EDUCATION

Free State High School, 4700 Overland Drive, Lawrence, KS 66049 — *Graduated*

August 2015 - May 2019

At Free State, I try my best. I am optimistic and a hard worker. I never miss a class, I love learning new things and keeping myself busy with work. I have completed the requirements to graduate and now have my diploma.

Haskell Indian Nations University, 155 E Indian Ave, Lawrence, KS 66046 — *Sophomore*

August 2019 - Present

At Haskell, I plan on graduating and furthering my education. I am excited to be a part of this community and to truly find out who I am as a person. I have a passion for learning and the environment and all the little intricacies that go into it. I plan on getting my bachelors in Environmental Science on going to graduate school to further my education.

FUTURE PLANS

For the future, I plan on graduating at Haskell Indian Nations University. I am planning on getting my Baccalaureate in environmental science. I am currently participating in an internship that will help me develop skills for graduate school as well as in the field of environmental science.
